## DEATHS

JOSEPHUS HICKLIN was born Feb. 21, 1827, near Lexington, Mo., and died at Sweet Springs, Mo., Easter Sunday, March 7, 1910, at 11 a. m. aged 83 years, one month and one day. He was twice married and reared six children, three of whom with their mother survive him—John, of this vicinity, Lee of Old Mexico and Mrs. Mary McCurdy of California, none of whom were here at the time of his death except his son John. Sweet Springs Herald.

MRS. DINAH MASTERMAN died, March 22, at her home in West Glasgow, aged 76 years. She had been in poor health for some time previous to her death, which was brought about by general debility. She left only one living descendant, Mrs. Geo. Koch, but had a number of grandchildren and other relatives all of whom mourn the loss of this good woman. The funeral took place on the 23rd from All Saints' church, West Glasgow. Glasgow Missourian.

MRS. J. M. THOMAS died at her home at 732 West Morgan on March 29th at 1.15 a. m., of Bright's disease and a complication of ailments, aged 64 years, 1 month and 19 days. She had been in failing health for two years and confined to bed for 6 or 8 months. She is survived by her husband and five children—Arthur, Mrs. Edna Sommers, Mrs. Julia Doan, Mrs. Jennie Williams, Mrs. Willie Smith. Also 15 grand-children.

She was a faithful and consistent member of the Christian church. Eld. B. T. Wharton conducted funeral services at the residence Wednesday afternoon after which the remains were laid to rest in Ridge Park cemetery.

J. H. LYONS, an old and respected inmate of the poor farm, died there Saturday evening, April 2, of chronic dysentery, aged 83 years. Mr. Lyons moved to Saline from Covington, Ky., many years ago and located near Miami. Misfortune and sickness overtook him and he took refuge at the poor farm. He is survived by a son in the Nevada asylum; and a blind son died recently at the poor farm. His remains were laid to rest in the potter's field by Undertaker Walker Sunday. After the burial it developed that he was an active and faithful Baptist and it was greatly regretted by his Baptist friends that his remains were laid in the potter's field.

DR. CHAS. M. BAKER, a brother of Mrs. R. H. Nuckles of Slater died suddenly at his home in Santa Fe, Mo., Saturday. He was found dead in bed that morning. He was 41 years old, a prominent physician and had a splendid practice. Dr. and Mrs. Nuckles attended the funeral Sunday which was in charge of the Odd Fellows.

MRS. JOE NORRIS died at her home in Slater Tuesday April 5th at 3 p. m. after a several months illness aged 22 years. Funeral services were conducted at the residence by Rev. W. T. Henson Wednesday at 11 a. m. and burial in Good Hope cemetery. Her maiden name was Shipp and she formerly resided south of Gilliam, having been married to the surviving husband only a year and a half. She was a splendid lady.

LUTIE STEWART, col., died at her home in Slater on March 22d of consumption aged 34 years. She is survived by her husband. Burial at Rehoboth colored cemetery.

NORMAN GREEN, col., the three year-old son of Fount Green of East Marshall died of pneumonia Sunday April 3d. Burial in Fairview cemetery Wednesday.

## Criminal Court.

Gene Webb col., was sentenced to two years in the state penitentiary for the killing of Thos. Parker at Arrow Rock last winter.

Robert Brown, col., was fined \$15 and costs yesterday. He shot Tolbert Hincer last Christmas.

Mrs. Mary Finley was declared irresponsible.

R. S. Reed plead guilty yesterday to selling liquor unlawfully and was sentenced to pay a fine of \$300 and sent to jail for three months.

The jury was discharged yesterday and the case not disposed of have been continued.

## Affirmed the Decisions

The Kansas City Court of Appeals Monday handed down three decisions affecting Saline county. All three were appeals from our criminal court. The charges were selling whiskey illegally.

The first was State of Missouri vs. Wm. Armstrong; affirmed.

The second was State of Missouri vs. Del Fellers, reversed and remanded.

The third was the State of Missouri vs. John Wingfield, affirmed.

This means that in the two cases the sentences imposed on the defendants by the criminal court must stand. Wm. Armstrong must serve six months in the county jail and pay a fine of \$500, and Mr. Wingfield to serve eight months in county jail and pay a fine of \$600, unless Judge Rich paroles them which question was being argued yesterday by the attorney.

## Good Railroad Meeting

P. H. Rea gave the electric railroad a good boost by heading the subscription list at Friday night's meeting with a \$5000 pledge. Other subscriptions raised the amount for the evening to \$12,000 a total of \$32,000. J. F. Barbee presided and a number of rousing speeches were made. Saline county will do her part in this matter without much urging, as the farmers along the proposed line are anxious to assist the undertaking and will subscribe liberally.

## Church Notes

The Missionary Tea by the ladies of the M. E. Church South at the home of Mrs. J. P. Huston last Thursday afternoon and evening was a decided success. The free will offering for missions amounted to \$50. Mrs. J. E. McDonald had charge of the afternoon program and Mrs. O. F. Hawthorne the evening. Marshall's best talent was called upon to assist in entertaining with music and readings.

The First Presbyterian church issued its annual statement last Sunday which showed its membership to be 333. Total receipts for the year were \$1556.28. Contributed to benevolent causes \$107.56. The church is supporting Miss Elinore Lynch as a missionary in China. H. C. Francisco was re-elected superintendent of the Sunday School and A. M. Rock elected assistant.

The Cumberland Presbyterians will hold their regular quarterly communion services next Sunday morning. No preaching at night on account of union services at other churches.

Judge Wallace, of Kansas City, will speak at the Baptist church at 7.30 p. m. on the temperance question. Regular services at this church at 11 a. m.

Christian Science subject for Sunday at 11 a. m. "Are Sin, Disease and Death Real?"

The churches will unite in union temperance meetings Sunday night. The meetings will be held at the Baptist and Odell Ave. Presbyterian churches. Two speakers from Kansas City will occupy the pulpits. The other churches will have no service.

The quarterly report of the Christian Sunday School Sunday showed the school to be a wide-awake and aggressive one. The average attendance was 173; average every-day Bible readers 183; total collections for quarter, \$298.92.

## Was the Dryest March

Last month was the dryest March in the history of the Kansas City Weather Bureau, founded in 1889. March 1910, also won the March calendar championship belt. The total precipitation for the month was .08 of an inch, the blue above us shedding .03 of an inch of wetness March 9, and .05 of an inch March 29. The normal rainfall in March in Kansas City is 2.47 inches making the average of March, 1910, minus 2.39 inches. The average March temperature here is 43 degrees, giving last month an edge of 13.3 degrees. Outside of that, as the burlesque persons have it, last March was all right.—Kansas City Journal.

## Fire at Cretcher

J. W. Wilcox was in from near Cretcher Saturday and told us that he lost heavily by a fire on March 20th, when in some unaccountable manner his sheds, implements, etc. were destroyed causing a loss of about \$1000 with but little insurance.

## Tuesday's Election

There is little consolation, and little discouragement for that matter, for Republicans in Tuesday's election returns. Kansas City, which has been eagerly watched gave a good Republican majority, while St. Joseph, Joplin, Sedalia, Springfield, Marshall and other BIG cities of the state gave Democratic majorities. In most cases though local conditions overshadowed party affiliations and the election can not be looked upon as an omen of good or evil for either party. Wherever the wet and dry question came up, the wets seem to have gained. The brewing interests are thoroughly aroused and are spending money liberally. This is evidenced by the many requests sent us for advertising space of late. We have it unofficially that a million dollars is to be spent in Missouri this fall by the breweries and if that is the case a warm fight can be looked for.

## Expensive Fun

Last Friday night a lot of young fellows went to the home of William Trester, who was recently married, and gave him and his bride a "rousing serenade" with tin cans, sticks and other noise-producing instruments. Failing to get a response from the victim they broke slats in the shutters, wrenched off a door knob and did other things objectionable. Henry Borges owner of the property had twelve of the boys arrested, charged with disturbing the peace. They were taken before Mayor Hannaca, and fined \$1 and costs each, or a total of \$9 each, rather a high price to pay for a little fun, but it will be worth something as a lesson to the boys here after. The Mayor gave the boys ten days time to pay their fines.

## Another Mule Kick

Another victim to the mule's hoof has turned up—Willie Keller, son of Mike Keller, who resides on the John Herring place, was kicked in the face Sunday afternoon while passing behind a mule. Dr. John R. Hall was called and attended the injury. The boy is doing nicely.

## City Council

Met at City Hall Monday evening, April 4th with all present except Haynie.

Ordered that city buy car load of white oak lumber from Perkins Lumber Co.

Street and alley committee instructed to view and report on Yerby and Lafayette.

Sewer in northwest part of town referred to sewer committee.

Ordered that tile east of John Hyde's be taken up and moved north.

Ordinance Nos. 234 and 235 passed.

234 authorized the issuance of a bond for \$4500 to pay a note at the Farmers Savings Bank.

Ordinance 235 provides for an increase of salary for the city assessor or of from \$200 to \$300.

## Marshall Won

M. V. C. won the baseball game with the State University team at Columbia Saturday in a score of 4 to 3. The boys are elated.

## Shot a Negro.

Lexington, Mo., April 3.—Attempt ing to resist arrest for disturbing the peace, an unknown negro was shot and fatally wounded here last night by James N. Price, city marshal. While on the way to the holdover the negro grasped the officer's club and attacked him. Price shot the negro with his revolver, the bullet penetrating his body. The negro is from Alabama and is wanted there by the authorities. Marshal Price was not dangerously injured.

Marriage license was granted in Kansas City Monday to Marvin Winston of Kansas City and Miss Alice Prent of Sweet Springs.

## Drummers' Meeting

The fifth annual meeting of the Missouri Drummers' Association will be held in Marshall May 12, 13 and 14. A program of interest to all will be carried out and our people should show an interest in the meeting by doing all in their power to make it a success and by lending their presence. Poeppig's band will be here from St. Louis, there will be a Mardi Gras parade, Drummers' Dress parade, Ghost parade at night, automobile trips, dress ball, receptions in short "fun for all."

## Made Good Grades

Four of our high school pupils made unusually high grades in the essay contest. They were Misses Mildred Taylor, Mary Dean, Charlotte Bohn and Mary Withers. These four young ladies will enter the contest for the Missouri University scholarship. Robert Campbell will represent the Marshall high school in the debating contest at Columbia.

## Bechtold-Heilman

Paul Bechtold and Miss Elizabeth Heilman were married by Father O'Neil at the Catholic church Wednesday morning. The young couple represent two of our prominent German families and are well and favorably known. They will go to housekeeping on a farm northwest of town. We join their many friends in extending congratulations.

## Monday's Storm

An unusually severe wind struck Marshall from the southwest Monday evening, blowing down a great many trees about the city and unroofing a few sheds. Careful inquiry shows that the storm was worst in and near Marshall. The rainfall for half an hour was also unusually heavy.

Macon, Mo. April 4.—At 5 o'clock this afternoon, while the sky was overcast with ink-black clouds, a hurricane swept through the south eastern part of Macon, entailing heavy damage to buildings. The electric light plant was put out of action by the collapse of its stack over the power house and the same fate befell the creamery plant. The tower and a large part of the Second Baptist church were blown across the lot. East Vine and other streets in the vicinity are blocked with trees and debris from dismantled house.

It is reported that the hurricane came by way of Ardmore, on the southwest. There are obtainable reports of damage in the county. The storm today followed almost identically the path of the hurricane and cyclone of July 1883, which killed a number of persons and entailed heavy property loss.

Quite a number of items arrived yesterday, too late for this issue.
